Becoming Catholic—

School age children seeking Baptism

School age children who were not baptized as an infant are welcomed and initiated through the Rite of Christian Initiation of Adults (RCIA), adapted for children. They begin learning about the Bible, Jesus, the Church, prayer and how God is acting in their lives. The children also participate in some Faith Formation activities gradually learning what it means to be a Catholic Christian. Family members, especially parents, are encouraged to participate as much as possible in their child's journey to the sacraments. If your child is 6 years of age or older and is not baptized or was baptized in another Christian tradition, please call Bobbie Herndon in the Faith Formation Office for any questions you may have or to register: (831) 458-3041.
