

JUNIOR HIGH YOUTH GROUP NEWSLETTER
November - December 2008

Junior High Youth Group has been truly blest this year with a wonderful group of 6th, 7th and 8th graders. We have progressed through 3 lessons of Becoming Friends and anticipate finishing before the Thanksgiving Holiday.

I want to thank all my families for assisting in the Chocolate Factory Booth. We had lots of helpers and goodies. It was a very successful Parish Carnival. As I am putting out this newsletter we will be into another favorite event -- Pumpkin Carving and Parade evening.

While this Thursday gathering was timely for Halloween, the season of Advent for which we cherish making Advent Wreaths begins the Sunday after Thanksgiving, so we will be making Advent Wreaths on November 20th.

December has a full schedule of special Thursday evenings. There will some decorating, shopping and celebrating.....as we participate in readying ourselves to welcome the baby Jesus.
