

JUNIOR HIGH YOUTH GROUP NEWSLETTER November - December 2009

Middle School High Youth Group has been truly blest this year with a wonderful group of 6th, 7th and 8th graders. I am very appreciative of those parents who have made themselves available to be present and helpful with our evening meetings.

I also want to thank all my families for assisting with the Chocolate Factory Booth. We had lots of helpers and goodies. It was a very successful Parish Carnival. We have progressed through 3 lessons of Learning to Communicate and anticipating being able to finish this program before the Thanksgiving Holiday.

The season of Advent begins the Sunday after Thanksgiving. I am considering having a special session of Middle School Youth Group for those families who would like to make Advent Wreaths. The date would be November 29th from 2-4 PM. There are still particulars to be worked out, so more information will follow.

December has a full schedule of special Thursday evenings. We will include Christmas Shopping and gift wrapping, film about Our Lady of Guadalupe, and decorating the basement for a Christmas dinner and play as we ready ourselves to celebrate the birth of Jesus.
