

JUNIOR HIGH YOUTH GROUP NEWSLETTER SEPTEMBER-OCTOBER 2006

A new year has begun for the Holy Cross Jr High Youth Group. Several parents joined us at our opening night to share their concerns and expectations. Their participation helps us to focus our efforts for the 2005-2006 year and is greatly appreciated.

Periodically we will have newsletters to keep you informed on our plans, special events, needs, etc. Our program is flexible allowing us to participate in parish happenings and special holidays. Please don't hesitate to contact us with that "good idea" to include in our calendar.

For most Jr High students, having quality friends is very important so we have chosen to begin with a program called **BECOMING FRIENDS**. This program will give us the opportunity to develop our group friendship and explore together the dynamics of a variety of friendships.

In these newsletters we keep you posted with our meeting dates and sometimes to seek assistance with our program activities.
