

MIDDLE SCHOOL YOUTH GROUP NEWSLETTER

May 2009

As I write this final newsletter I want to thank all my parents for their devoted commitment and support of the Middle School Youth Group. It has been a wonderful group and I feel blessed to have shared our evenings together.

I'm not quite sure how we got so quickly to the last few Thursdays for the 2008-2009 year. Our final event is on May 14th, a skating party and dinner. The Middle School Youth Group does not meet in the summer. We will start up again in the middle of September.

With our counting of the Rice Bowls we have completed the second of our "PAY IT FORWARD" projects. And on April 30 we will be creating May Baskets (cans) with the environment in mind as our third project.

At our last session before the Easter break we created a set of six "stations" –we called them "Stands of the Cross" focused on those people who stood by Jesus. Our final sessions will be focused on The Risen Lord who visited his friends giving them special "to do" instructions before he ascended into heaven. We will be adding "Paschal Stations" to the bulletin board display and discovering our special "to do" as followers of Christ.

Remaining Schedule:
